Hobart District Schools Summer Activity Program 2011

Barilla Putt & Play is a recognised provider of activities for Hobart District School Children. Mini-Golf is a great activity for people of all ages, but particularly for children. It provides an outdoor healthy environment in which children can be exposed to competition, teamwork, courtesy, exercise, and team building.

Clubs and golf balls are provided so all you have to do is bring the children. It is uncomplicated and a lot of fun. We also will provide our clubhouse *free of charge* for teachers to use as they see fit.

In 2011 every child who attends and plays our Putt & Play Course will receive a FREE MEMBERSHIP CARD. This will entitle that child to a free game every ninth time they play, including with their school as part of an organised activity.

For the Schools who include Barilla Putt & Play as part of their activity program we will reduce the price by twenty percent (20%) per child (\$6 per child), teachers, parents or accompanying adults will be allowed to play *free of charge*.

Our venue is becoming more popular each year with the Hobart District Schools and we recommend that you book in advance by completing the accompanying booking form.
